

# WILD ACTIVITIES

## Animal Encounters \$100 per Attraction

Invite an animal to your event! A zoo naturalist will introduce you to one of our amazing creatures and discuss their impressive adaptations for survival. Meet any of the following animals up close and personal.

You may enhance your guests' Zoo experience by selecting one or more of the following animal activities: Zoomobile Animals, Raptor Encounter, Llamas, Rainforest and Small Wonders. Guests can enjoy these interactive and educational presentations as part of their entertainment. Your guests will have a wild time!

The following programs are approximately **45 minutes in length** and are subject to availability of animals.

## Zoomobile Animals:

Don't just be entertained be part of the entertainment. Various small animals such as snakes, hedgehogs, tortoises, etc. will visit your party.

## Raptor Encounter:

Take a walk on the wild side with a zoo Docent and get the inside scoop on our birds of prey such as a hawk, owl or kestrel.

## Llamas:

With this favorite, your guests will have the opportunity to meet and learn more about the Llamas from our Zoo Docent. Our halter-trained llamas will be a sure hit as they interact with your guests.

## Rainforest Guide\*:

This tropical walk -through rainforest exhibit will be open to your party exclusively with a trained interpreter on site. With new animals such as the prehensile-tailed porcupines, dwarf caiman (the smallest relative of crocodiles) and even a two-toed sloth you're guaranteed to have a great time exploring. (Rainforest is not open unless reserved.)

## Small Wonders\*:

Just imagine the amazement as your guests mingle with sheep, goats, cattle and llama in our small wonders exhibit. Your guests can pet and brush the animals or just catch that once in a life time up close and personal photo.

## Exploration Station:

Have you ever wondered what the skin of an elephant felt like? How about fossils large and small? You and your guests can explore in a tent filled with artifacts and hands on activities. Our Zoo Volunteer will be there to assist.

\* Rainforest and Small Wonders close at dusk. It is recommended that they be scheduled soon after guest arrival and prior to dinner, i.e. 5:30 or 6:00p.m.

*Your Event Coordinator will coordinate all the details and create a schedule of events to ensure that not only the guests have fun, but the host as well!*

# EXOTIC EVENING OPPORTUNITIES

This is an opportunity to show your guests the evening is truly all about them and having the experience of a life time. These special animal options are made available only for you and your guests the evening of your event.\*

## Stingray Bay (now with Sharks and Horseshoe Crabs!)

A very special touching experience for all ages. Your guests will delight in oceans of fun at Fresno Chaffee Zoo. In addition to the Stingrays, there will be two species of small docile sharks and horseshoe crabs. This attraction gets you up-close and personal with exotic sea life. Watch as the graceful rays glide by or dip your hands into the water and touch these captivating creatures. You can even feed these gentle rays, who are as curious about you as you are about them. Discover the underwater world of stingrays. It's the ultimate hands-on adventure. Stingray Bay is open until dusk. (Please call for availability and possible feeding opportunity at a small cost.)
