

Zoomobile Presentations

Animal Attire (Pre-K, K)

Discover the difference between fur, feathers, and scales. Meet and touch animals that “wear” these different body coverings.
(CA Life Science Standards: K – 2. a b c)

Animal Boogie (Pre-K, K)

Can you stand like a flamingo? Slither like a snake? Learn about how different animals move and how these adaptations help them live where they live.

(CA Life Science Standards: K – 2. a b c)

Desert Oasis (1st – 3rd)

Have you ever wondered how an animal can survive the challenges of a desert home? Meet some amazing desert-dwelling critters and discover their adaptations for life in the desert.

(CA Life Science Standards: 1st – 2. a b c d 2nd – 2. a b d 3rd – 3. a b c)

Jungle Journey (1st – 3rd)

Take a trip into the rainforest and meet some of the animals that make the trees their home. Also, learn how you are connected to the rainforests every day.

(CA Life Science Standards: 1st – 2. a b c d 2nd – 2. a b d 3rd – 3. a b c)

Animal Kingdom (1st – 3rd)

Investigate animals with backbones: birds, mammals, reptiles, and amphibians. Characteristics of each group will be explored using biofacts and live animals.

(CA Life Science Standards: 1st – 2. a b c d 2nd – 2. a b d 3rd – 3. a b c)

Living the Night Life (1st – 3rd)

Learn about nocturnal animals and their special adaptations that help them live their life under the moon.

(CA Life Science Standards: 1st – 2. a c 2nd – 2. a b d 3rd – 3. a b c)

What’s for Dinner? (3rd – 4th)

Predator and prey animals have different adaptations for survival. Discover the connections between the producers, consumers, and decomposers in a food web.

(CA Life Science Standards: 3rd – 3. a b c d 4th – 2. a b c, 3. b c)

Wild California (3rd – 4th)

Meet animals that live in our own backyard – California native critters! Find out what makes these animals unique and why it’s important to protect them.

(CA Life Science Standards: 3rd – 3. a b c d 4th – 2. a b, 3. a b c)

CUSTOM (5th +)

Are you interested in relating a specific wildlife topic to a Zoomobile visit and don’t see one that fits? Please call (559) 498-5920 to discuss your goal and together we will try to build a program to meet your specifications.
