

FRESNO CHAFFEE ZOO

ZOORASSIC PARK

SCHOOL FIELD TRIPS

Zoorassic Park is a limited time exhibit where you can learn about your favorite dinosaurs by traveling back to a time when they roamed and ruled the earth. Watch them move, hear them roar, and see how they lived, from their nests to their epic battles.

Featuring 17 different species and 21 dinosaurs in total, this educational and exciting exhibit details the era, habitat, and size of each dinosaur while also explaining some of the science behind paleontology. Our knowledgeable Conservation Interpreters will be available to guide you back to the Mesozoic Era.

Exhibit topics include: What is a dinosaur? - Paleontology - What is a fossil? - Ancient California

- \$3 for children (ages 2-11) plus zoo admission
- \$4 for adults (ages 12 and up) plus zoo admission
- **To book a Zoorassic Park Field Trip**, visit fresnochaffeezoo.org/teacher-resources
Reservations must be made at least two weeks in advance.
- For questions, contact our Education Department at education@fresnochaffeezoo.org
