

# FRESNO CHAFFEE ZOO WANTS TO BRING THE ZOO TO YOU!

Can't make it to the zoo? Let us come to you! Fresno Chaffee Zoo's Zoomobile program offers a fun, interactive learning experience for people of all ages. Learn about an assortment of mammals, birds, reptiles, amphibians and creepy crawlies from all over the world without leaving your facility (at least one of the animals is touchable).

- \$90 per presentation when two or more presentations are scheduled in the same day.
- \$110 for one presentation.
- Mileage fees may apply for sites outside of the Fresno/Clovis area.
- **To book a presentation** please contact us at least 3 weeks ahead of your desired presentation date. Cancellation fees may apply.
- Presentation lengths vary by grade/age group. Ask about our class size limits.

## Choose from one of the following *wild* topics!

### **Creature Features**

Discover some of the amazing adaptations animals have for life in the wild. Learn about what animals need to do to survive in their natural habitats and how their adaptations help them along the way.

### **Where In The World?**

Take a trip around the world and explore the different places where animals call home! Uncover each animal's habitat and the important role they play in their environment

### **Feeding Frenzy**

Predator and prey animals have different adaptations for survival. Discover the connections between the producers, consumers, and decomposers in a food web.

### **Animal Kingdom**

Do all animals have backbones? Investigate the difference between vertebrates and invertebrates. We will discuss the benefits of an exoskeleton and classify vertebrates by exploring animal characteristics.
