Cubby and Adventure Camps

WILD ABOUT NATURE  JUNE 8-12  • JULY 13-17
There’s a whole world to explore right outside your own door! Join us as we investigate the natural world around us with hands-on activities and games. Get ready for a wild adventure!

CAMP-A-SAURUS  JUNE 15-19  • JULY 20-24
What if dinosaurs walked among us today? Let your imagination run wild as we travel through time to explore the world as it was. Then learn about the dinosaurs who walk (or fly!) among us today!

FOSSIL FRENZY  JUNE 22-26  • JULY 27-31
Come dig up the past and uncover the secrets of dinosaurs, fossils and prehistoric creatures. Explore the Zoo to learn about their modern relatives and unearh what paleontologists are still discovering today!

ZOOLYMPICS  JUNE 29-JULY 2  • AUGUST 3-7
Who takes home the gold in the long jump or the 100 meter dash? Come learn about nature’s medalists as we explore different animal abilities! Then get ready for some zoo-nique Olympic games of our own!

CALIFORNIA CRITTERS  JULY 6-10  • AUGUST 10-14
Eureka! The Golden State is home to some iconic creatures. From the ocean to the mountains and from the redwoods to the deserts, join us to learn about the wild animals who call California their home.

Young Naturalist Program (ages 12-17)

JR. ZOOKEEPER  JUNE 15-19  • JULY 6-10  • JULY 13-17  • AUGUST 3-7
What is it like to be a zookeeper? Come experience the daily life of a zookeeper and assist them with tasks in feeding, cleaning, and caring for the animals. Junior Zookeepers will also spend time with our Educators learning about animal science and conservation through interactive games and projects.

JR. ART ACADEMY  JUNE 22-26  • JULY 20-24
Now, two weeks due to popular demand! Explore different art mediums and styles while you make your own animal themed art at the zoo! Learn basic techniques (and some fun animal facts!) and get creative while we paint, draw and look at animals.

JR. MARINE BIOLOGY  JULY 27-31
Dive deep into the ocean floor and explore the wonders of the ocean and the marine life that live there! Junior Marine Biologist will learn the action it takes to protect and conserve the ocean and the animals that call it home. Camp includes a field trip to the Monterey Bay Aquarium.

EXTENDED CARE
An extended care camp schedule is provided for those families that need an early start or late pick-up from Zoo camp. The extended day allows for early campers to begin arriving at 7:30 am and late afternoon pick-ups until 5:30 pm.

Register online at fresnochaffeezoo.org at least one week in advance. For more information e-mail adventurecamp@fresnochaffeezoo.org or call 559-498-5920.

**Please note: Fresno Chaffee Zoo Education Dept will be CLOSED July 3rd.
