Mr. Kirkland stated that the Finance Committee met last week and discussed the three items presented within the report – change orders, release of design funds for overages and release of retention. He said that all are being recommended to the Board for approval. The first item, Kingdoms of Asia change orders, covers two change orders amounting to $1,907,751. The second item was a request for the Zoo team to ask the Zoo Authority Board to move remaining design funds for Kingdoms of Asia to the construction budget to cover project overages.
